## WHAT TO WEAR

Most travelers tend to bring too many clothes in general, and too many thick clothes in particular. In the heat and humidity of the lowlands, cotton and light natural fabrics such as linen are ideal for women during the day. However, remember that Sri Lanka is a conservative culture, so skimpy skirts and brief shorts are not considered respectable. During the evening it is advisable to wear lightweight long sleeved tops and trousers to provide some protection against mosquitoes. Women should pack a long dress or skirt and long-sleeved blouse for visiting places of worship.
